YOU NEVER GET A SECOND CHANCE TO MAKE A FIRST IMPRESSION!

In business, first impressions are everything; uniform clothing plays a huge role in this process and a well dressed team is a valuable marketing tool for any organization.

Uniforms have come a long way... innovations in design and fabric have given rise to a new approach and attitude towards “workwear”; one that balances style and function.

ONTOUR™ caters to a wide audience with a variety of styles and price-points to embody brands of all statures, from conservative to cutting edge.

No matter the sector, one thing all organizations have in common is a desire for low maintenance clothing—waterproof, water resistant, wind resistant, breathable, anti-pill, Teflon, UV-protected, 3M Scotchgard™ stain resistant—you name it and **ONTOUR™** gear has it covered. With Trimark’s EZ-Care™ fabrics, we can help ensure that everyone comes to work looking like they’re on top of their game.

The ultimate goal is to define and differentiate your brand, all you need is a little forethought and the right partner to make it happen. At **ONTOUR™** all you need is the idea, and we can make it happen.

youth collection

PARTICIPATION IN YOUTH SPORTS HAS STEADILY BEEN ON THE RISE FOR THE PAST TWENTY YEARS.

Millions of children across the country take part in one or more youth sports throughout the year. It is not uncommon for children to start participating in youth sports as early as four to five years of age.

Studies have shown that by participating in youth sports, the young athletes will:

- ✓ Develop and become proficient at the various sports skills.
- ✓ Develop skills needed to socialize with their peers as well as adults.
- ✓ Develop independence and confidence.
- ✓ Develop a sense of achievement, which helps develop a positive self-image.
- ✓ Develop leadership skills and qualities.
- ✓ Learn how to cooperate and compete.
- ✓ Develop agility, coordination, endurance, flexibility, speed and strength.
- ✓ Develop the ability to make decisions and accept responsibilities.
- ✓ Learn to understand and express emotions, imagination, and appreciation for what the body can do.
- ✓ Develop an interest in continuing sports participation as an adult.

These benefits are most commonly associated with youth sports participation... and **ONTOUR™** is pleased to offer it's full support, as we expand our offering into the youth segment.

DECORATION

THE ONTOUR™ ONE-STOP-SHOP.

At ONTOUR™ we are a one-stop-shop with no-fuss, no hassle and no worry for high quality garment decoration. Our experienced customer service staff can help you through every step of the process: **designing & digitizing a logo, where to place it to maximize brand exposure and selecting the best decoration method.** In today's brand-centric world, the quest for prime real estate is all about putting your logo in the best location (or locations) to garner the most eyeballs... we can help you to be creative – but appropriate – and maximise your exposure.

OVER 90% OF OUR CUSTOMERS CHOOSE EMBROIDERY... WHY?

Embroidery is a classic time honoured method of decorating that provides an authentic high quality representation of your logo, with a high perceived value.

Today's embroidery machines (with over 300 thread colours available) can turn almost any image into a high quality embroidered logo that is wear and tear proof and will survive almost any wash & wear regiment.

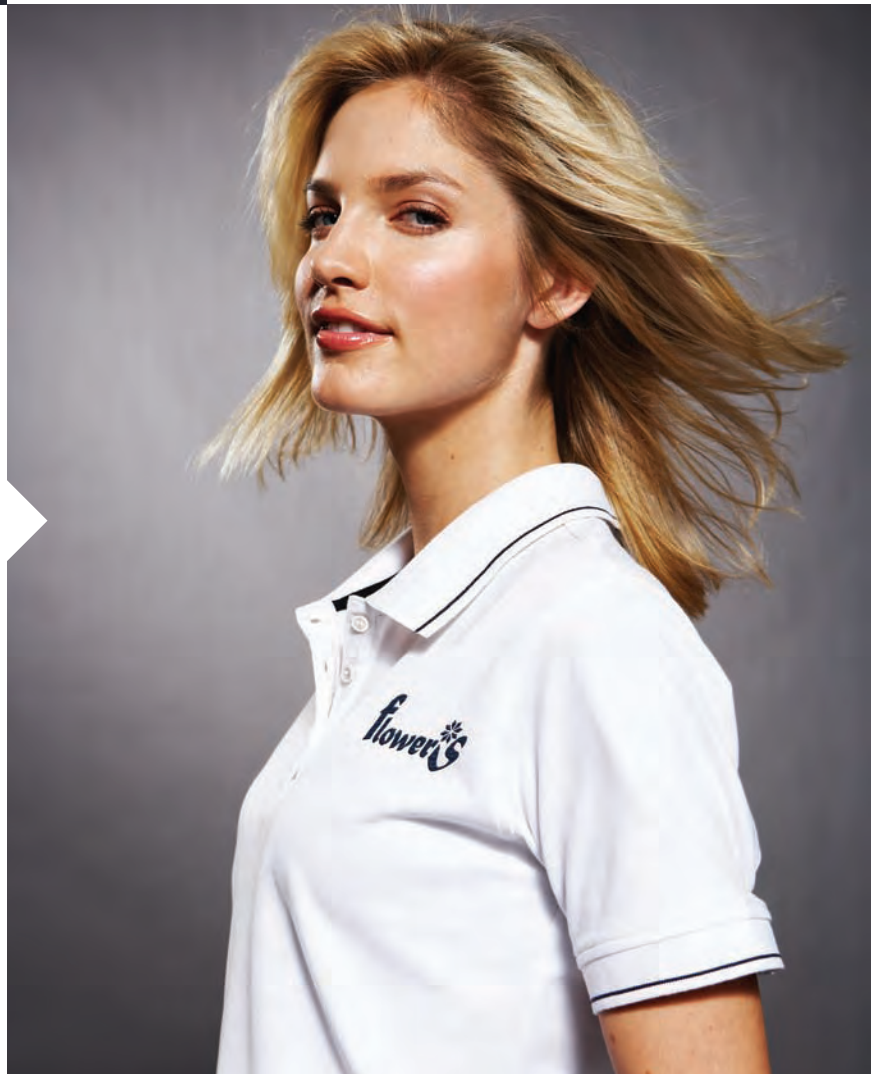

IT'S NOT JUST EMBROIDERY ANYMORE! HOW TO DIFFERENTIATE YOUR LOGO **EVEN MORE...**

Smart marketing is about catching you off-guard – doing something and makes your brand stand out from the crowd.

Today's advances in technology mean that the simple logo is giving way to more and more intricate multimedia designs!

Now, **ONTOUR™** customers can choose from embossing, debossing, screen printing and heat sealing to capture the sophistication of modern design.

Each method has it's benefits; it really comes down to matching the right design to the right method and the right fabric.

For more information, please speak to your ONTOUR™ Sales Representative, or visit www.ontoursport.com.

Swatches & sewout samples: complimentary free digital image. A minimum of 12 units per logo colourway applies. Minimum of 72 units. Allow 3-7 business days after all logo approvals. No rush charges. Please note: Trimark does not sell direct.

MEASUREMENTS

(All Men's, Women's and Youth sizing in inches)

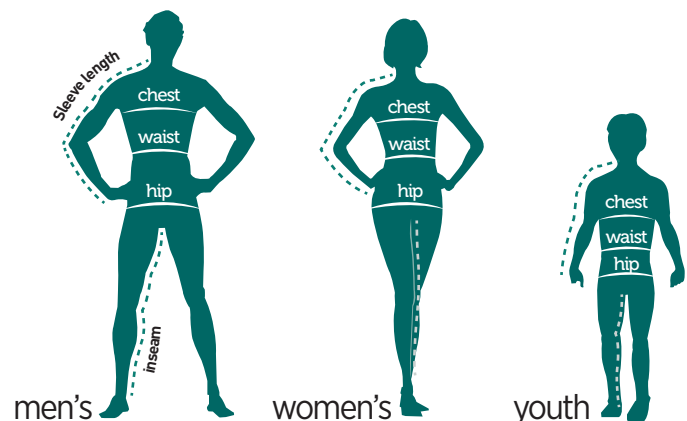

Fit Chest - Under the arms and across the shoulder blades with a firm and level tape.

Hip - When standing, measure around the widest part of the hip.

Sleeve length - Relax arm, and measure from the centre of the back of the neck, over the shoulder and down to the outer wrist.

Waist - Measure around your natural waistline, while in your underwear. Keep one finger between the tape and your body for an accurate fit.

Inseam - Select a pair of your best-fitting pants of a similar material. Measure from the crotch to the bottom. The number of inches, to the nearest half-inch, is the inseam length.
