

HXD TEXTURE GALLERY

Give Your Brand A Whole New Dimension

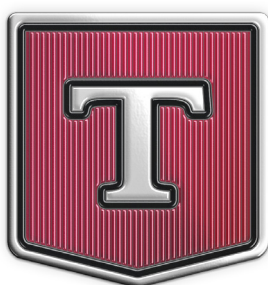

HXD offers all new possibilities for your logo. Available exclusively from Trimark in the United States and Canada, its exceptional detail and subtle elevation from the surface can be enhanced not only with a variety of finishes, but also many textured patterns* – an embellishment that's not available with any other decoration method.

Take a closer look at our 12 most popular and distinctive textured patterns that can be applied to your logo.
