

AMOS

ECO SHORT SLEEVE POLO

MEN'S **16312** (S - 5XL)

WOMEN'S **96312** (XS - 3XL)

Going green never looked this good. Asymmetric seaming detail and side slits give the Amos a one-of-a-kind look. This not-so-polo looking polo is made of recycled polyester with UPF 40+ protection (light colors UPF 15-24), but it feels just like super soft cotton. Even the buttons are recycled! The anti-pill, wash-and-wear fabric keeps it looking new, even after repeated washing. It's also snag-resistant and moisture wicking, so it'll look and feel great, no matter how often you wear it. Try it out if you don't believe us.

FEATURES

- Designed to look good, no matter how often it's washed.
- UPF 40+ sun protection.
- Snag-resistant, so you can wear it again and again. Wicks moisture through the breathable fabric, and away from your skin.
