

BOGART

ECO PACKABLE HALF ZIP JACKET

U **12609** (XS-3XL)

The unisex BOGART Eco Packable Half Zip Jacket is as sustainable as it is versatile. Made with a recycled poly blend, a recycled pinch label and a zipper made from recycled content, it's an eco-friendly piece you can feel good about wearing. It also has everything you need to stay comfy and dry, like a water-resistant coating, a water-repellent finish and a drawcord in the hood to keep moisture out, plus underarm vents for breathability. And it packs away into in the left pocket, so it's perfect for lightweight weather protection on the go. Zippered pockets keep your phone, wallet and keys safe. Features like elasticized cuffs and a dropped back hem help keep cold air out, and the articulated elbows and ergonomic sleeves let you move your arms freely. With style that looks great anywhere, this versatile jacket will become your year-round favorite. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
