Made with the same eco-friendly recycled polyester as our Dege Eco Knit Half Zip, the Dege Eco Short Sleeve Polo is where style meets sustainability. The micro-lined fabric gives it an on-trend textured look and feel. Plus, it's anti-microbial, breathable and moisture-wicking to keep you cool and comfy all day long. It even has UPF 40+ sun protection, making it perfect for the golf course as well as the office. And on top of all that style, the women's styling has shaped seams and a tapered waist to give you the ultimate fit. Give it an A for versatility; The Dege belongs in everyone's closet.
