

JORIS

ECO SOFTSHELL JACKET

M **12940** (S - 5XL)

W **92940** (XS - 3XL)

The JORIS Eco Softshell Jacket looks out for your wellness and the planet's. The eco-friendly fabric is made from recycled polyester, and the included No Contact Keychain in the right pocket lets you use door handles, press elevator buttons and use A keypads without touching them. The brushed fleece lining delivers next-level comfort, and the breathable, three-layer waterproof construction and water-repellant finish make it the perfect lightweight jacket for any weather. Shaped seams and a tapered waist on the women's styling make for the ultimate fit. It's even loaded with functional features, like brushed tricot lined pockets for extra comfort and zippered pockets to keep your valuables safe. Yep, the Joris has it all. One percent of all Eco sales are donated to environmental profits through a partnership with 1% For The Planet.
