

SHEFFORD

HEAT PANEL VEST

M **19548** (S - 3XL)

W **99548** (XS - 2XL)

The Shefford Heat Panel Vest delivers lightweight, water-repellent warmth with a shot of exciting technology. The chest and back have interior heat panels powered by a powerbank with temperature controlled at the touch of a button. The women's version has shaped seams and a tapered waist for a flattering fit.

995 Black
