recommended decoration

HXD*, Embroidery, Transfer
(*HXD unavailable on the liner)

Bundle up and brace for the elements with the versatile Delamar 3-In-1 Jacket, which includes a breathable, waterproof outer shell and detachable nylon jacket. The stylish outer shell – critical seam sealed to keep water from getting in – is made with a heather nylon-polyester fabric and includes a detachable hood, adjustable cuffs and comfy brushed pockets. When the weather's warmer, the jacket can be split into two jackets leaving you with the option of a great lightweight rain jacket or the black detachable insulated jacket that features horizontal quilting for a trendy retail look.
