The versatile Tipton has a vintage feel, with contrast stitching against a heather fabric at the collar, placket and shoulder seams. The Tipton's performance, however, is decidedly modern: a breathable polyester-cotton knit with wicking finish, UV protection and snag resistance. The women's version of the Tipton has three-quarter sleeves, a shirttail hem and tapered waist for a flattering fit. Both the men's and women's have a woven Elevate tab on the right hip, hanger loop and heat-transfer main label for tagless comfort.
